

7th Grade

The chart below lists the topics that will appear on the final exam, along with the number of questions in which those topics will appear. You may bring **ONE** 3" X 5" index card to the exam and may write whatever you want on both sides to help you for the exam. Bear in mind that if you rely heavily on the index card, you may waste time continually referring back to the card.

Topic	# of questions on exam
